Sacred Witness:

*A solidarity pilgrimage
to Palestine & Israel*

February 10-16, 2025

Join us on a mindful journey to Israel and Palestine in an act of Sacred Witness to those living in the land during this historic time. We will deepen our solidarity through connections with joint Palestinian-Israeli activists across the region, learning about their work at the center of the conflict. In these difficult days, we behold those pursuing a just peace amidst the dark clouds of war. We aspire to transform despair and grief into collective action as we liberate our minds and discover our roles in creating a better future for all.
